Hint
Pay attention to place value. How much does the 6 have? What does that tell you about the denominator of the fraction and the placement relative to the decimal?

Tenths grid (1 whole with 10 equal parts)

Hundredths grid (1 whole with 100 equal parts)

|  | T | + | 1 | T |
| :---: | :---: | :---: | :---: | :---: |
